

Dear Alumni,

I think I have mentioned this in a past letter or two that way back in the spring of 1967 I was asked if I would be willing come June 1st of that year to accept the position of Treasurer for just a couple of years to help out. Well you know just how long that couple of years has turned out to be. So instead of my "usual financial spiel" about the past years dues and donations which you will be able to read for yourself, I am going to take this opportunity to sincerely thank the many alumni who have so faithfully paid their \$1.00 dues, chose the 4 year-\$5.00 per year installment plan to become a life member or just plunked out \$20.00 for a life membership. Of course, this was all above and beyond what you have so generously contributed year after year to the scholarship fund. This past year, as you will note, turned out to be the best year yet and I thank you one and all for your contributions.

Your new treasurer will be my youngest daughter Linda Tuite. She is well aware of what this position demands and has worked this past year setting up on her computer an "up to date" financial system from my "old fashion financial system".

I am still remaining on the Board as a Director and will, for the time being anyway, stay involved with the scholarship committee. The thing that I will miss the most will be the wonderful communication I have had over these many years with so many people locally, across this country, Canada and even Europe with exchange students who attended Hopedale Jr./Sr. High School.

This being my farewell note to you I sincerely want to thank you, along with the Class of 2008 and the Board of Directors, for your financial support. It has only been due to this continued support that your association has been able to achieve its annual financial goals.

Respectfully,

Betty A. Butcher, Treasurer
